

Instructions for the printing of the Great Basin Mobilization Guide.

Use the provided Archive Copy of the Great Basin Mobilization Guide as an overall templet/example of what the finished product is to look like. The finished product is to be the same size (8 ½ inches by 5 ½ inches) as the example provided and spiral bound just as the example archive copy provided.

The weight and type of paper to be used is the same as the provided Archive Copy of the Great Basin Mobilization Guide. The front and back covers are to be printed on eggshell white semi-gloss card stock with the logo images printed in color as on the example provided. All pages inside the covers are to be printed in white paper, except for chapter 70. Chapter 70 page color directions are specified below.

Chapter 70 is to be printed on colored pages as specified below.

Chapter 70 colored pages:

Pages to be printed on Light Orange paper are 70-1 to 70-22

Pages to be printed on Tan paper are 70-23 to 70-44

Pages to be printed on Light Green paper are 70-45 to 70-60

Pages to be printed on Light Blue paper are 70-61 to 70-76

Pages to be printed on Pink paper are 70-77 to 70-98

Pages to be printed on Burnt Orange paper are 70-99 to 70-106

Pages to be printed on Light Yellow paper are 70-107 to 70-128

Pages to be printed on Light Lavender paper are 70-129 to 142
